Join us for the 37th TACUP Conference in beautiful San Antonio, Texas. Come learn useful tips to help manage your In-plant more efficiently and we will be sharing top revenue generating services to help your departmental or agency's bottom line. We will focus on several topics like Mailing, Large Format Printing, Marketing, Pricing, Customer Service and other useful subjects. Featuring round table discussion groups, mentoring opportunities, and various demonstrations to expand your skills in a variety of areas.

TACUP is not just for College and University Printers; we are a diverse group that welcomes any School District, State Agency, Government Agency or Private In-Plant. This will be an exciting opportunity to network with and learn from printing professionals from Texas and others states across the U.S. Don't miss this opportunity to share techniques and ideas with your peers while strolling along the beautiful holiday-decorated Riverwalk.
